- We understand that spring sports are beginning. Your child is receiving a wonderful base for other sports and by staying in gymnastics they will only increase their athletic edge. Allow your child to finish this years' gymnastics experience and participate in Showtime to show off their achievements they have accomplished throughout the session. If you need to change your child's class time please inquire at the desk. **We will be happy to try and accommodate changing schedules.** 😊

• *Please be sure to wait outside of the building until your child's coach releases them.*
