Important Tidbits:

- **VIEWING:** Please understand viewing is by sign up only. When in the building, only staff & gymnasts are allowed in the gym area. Please stay on a marked spot in the waiting area and keep your mask on. *Please stay invisible when viewing.* This is for everyone's safety ☺
- If your child happens to miss a class, we will do our best to try to accommodate a make-up class. We cannot offer them during the week as we did in the past because of the new regulations, but we will try and offer them during school holidays and time off. If you do schedule a make-up and do not show, your child will still be considered as "made up" since you took a spot that someone else could have had.
- **PARKING:** Please use extreme caution while driving in our parking lot. The circle is NOT for parking. This is used for continuous drop off & pick up. Please help us keep traffic flowing by parking in a spot until it is your turn to pull up.
