WELCOME! September is such a busy month! We thank you for your patience while we get organized and help all our families ☺ Every child should have a completed REGISTRATION FORM & medical release on file at the desk along with the \$50 registration fee + September tuition paid PRIOR to attending 1st class.

***Drop off/ Pick up: 1)** Please drive into the circle **REMAINING** in your car to drop off your child. If you to get out of your car for any reason, **PARK** in a designated parking spot in the lot!! *We appreciate your cooperation* 😊 **2)** Remain outside/do not enter drop off line until previous class has left **3)** To use the circle for pick up, please stay parked in a designated spot, then pull up in the circle at the time your child's class ends and you see a coach at the door. **5)** Please **DO NOT** park in circle before class ending time. We have our team practice times staggered during recreation classes for drop off/ pick up. If you approach too early, it creates a **MAJOR** gridlock problem in our lot. Please be patient and wait until you see a coach at the door at the end of your child's class before you pull into the circle.

* **Infant Sensory:** Every Tuesday from 12-12:30pm. This is a **FREE** half hour class for ages 3 mo. until walking. Just come in when you can and sign in at the front desk. Babies will be engaged in different activities that incorporate all their senses. Starts 9/10/2024.

* **Toddler Time:** An exciting opportunity for the little ones, **5 years & younger only**, to come in w/ an adult and enjoy the gym! Open to Public. Only \$5 for Members & \$7 for non-mem per participating child(walking) on Wednesday's from 12:15-1pm! *Supervised open play. Starts 9/11/24.*

* **Open Tumbling:** Every Monday & Wednesday from 8:50 - 9:45pm, \$10 each time you come. This is a great opportunity for dancers and cheerleaders to further their tumbling skills! This is an open time to work on any skills you choose. We will have a coach out on the floor for spotting and have skill stations set up. Don't be shy! Ask the coach for tips and skill spotting to get the most out of your time!

We are looking forward to the opportunity of encouraging, teaching and bonding with you and your child throughout the school year culminating with our fun filled show June 17-22nd! **Please understand that the 1st few weeks of gymnastics is a review & evaluation period.** Also, some children may be tired and sore for a few weeks until they are used to their new routine of school and extracurricular activities starting at the same time. Generally, after a few weeks they adjust and all is well ☺ Please consider this before withdrawing. If there are any concerns or questions, please let us know, we are here to help! We look forward to an exciting fun filled year!!
